D.No. ~~10062~~ 10174 Dt. 4-11-1961.

Letter No. B3.4593/60-61 Dt. 2-11-1961 from the C.C.F.,

1. P.U.D. is for perusal. C.C.F. states that the request for grant of land for installing a Saw Mill - which is for a non-agricultural purpose - such requests were being granted by the C.F., Belgaum Circle according to the orders of Bombay Govt under which it has been explained that specific orders of Govt. of Bombay, permitting the disposal of forest lands by way of lease for non-agricultural purpose are not available.

*placed below

2. As per C.C.F. letter* No. B3.4593/60-61 Dt. 11-10-61 C.C.F. states with a view to avoid unnecessary correspondence, he proposes to empower the D.F.Os to lease out forest lands for a period not exceeding one year in each case and the C.Fs empowered to sanction further renewal of such leases for a period not exceeding two years.

3. In view of the above (Viz: vide para 2 n/f), CCF requests orders of Govt. as to whether the C.F., Belgaum should be directed to allot a suitable plot of land to the applicant.

Subd., for orders,

6/11/61

4) Licence for installing a Saw Mill has been granted to M/s. Kodkany & Sons by Govt. The request for grant of land has to be conceded for this purpose. We may authorise the C.F.

8) These papers deal with the request of Shri K.A. Kodkany for grant of suitable lands for establishing a Saw Mill at Dandeli. Shri Kodkany has been permitted to erect a Saw Mill in Dandeli. He requests that Government might issue for the reasons mentioned in his letter of 31st October'61 X necessary instructions to the District Forest Officer, Kanara Northern Division to allot a suitable plot of about 4 acres in extent round about Dandeli, for the establishment of the Saw Mill. The C.C.F. in his letter of 2nd November 1961 * has sought orders of Government on the general question. The general question may be considered separately and may not be mixed up with the request of Shri Kodakany. Notings on this file was delayed in order to await the decision of Government

on the recommendations of the Deputy Commissioner, Karwar for grant of land in favour of Shri G.N. Heggade Doddamane, who has also been permitted to erect the Saw Mill in Siddapur Taluk, the land being utilised for the purpose of establishing a Saw Mill. Government have passed final orders on that file to the effect that 2 acres of land be disforested and given to Shri G.N.Heggade Doddamane for the purpose. The case of Shri Kodakany also stands on the same footing. As in the case of Shri G.N. Heggade Doddamane, we may agree to allot 2 acres of land of Shri Kodakany for the establishment of a Saw Mill in Dandeli after disforesting the same. Subject to approval, further action will be taken in the matter.

Serial No. 15

Letter No. A2(a) 332-2439/-57 of 22-10-62 of the CCF. Pld in for perusal. Govr. in their letter of 28-2-1962 has ordered for the allotment of an Area of 2 Acres of forest land in favour of M/s Kodkany & Sons for erection of a band Saw mill at Dandeli. Now, the CCF has reported that M/S Kodkany has applied for the grant of 3 Acres in F.S. No. 4 of Dandeli for erection of a Saw mill at Dandeli. The final order of Govr. granting licence for erection of a Saw mill was issued on 28-2-1962. Now, in connection with the grant of 2 Acres as ordered in G.O. of 28-2-1962, the DFO, N.D. Kanara has informed the party to select 2 Acres of forest

land and enable him to take further action to lease the area to the party. In the meanwhile, in Govt. notifn. No. AFD 60 DST 57 of 18-5-1962, an area of 1122 Acres was ordered to be disforested and this area includes F.S. No. 4-A of Dandeli. Hence at the time of submission of the Off notifn. prepared by the DFO, to Govt., the F.S. No. 4-A of Dandeli was not excluded from the disforestment by the DFO.

x 'A' (file 60 DST 57 placed below)

16 Hence the CCF feels that in view of the issue of the notifn. of 18-5-62, we cannot enter into lease with M/S Kodkany & Sons for the grant of 2 Acres in F.S. No. 4-A of Dandeli

Serial No.

Hence the ccf suggests:-

a) to direct the Town planning authorities concerned to allot 2 Acres of land to M/S Kodkany & Sons in F.S.No. 4 of Dandeli.

or

b) Exclude 2 Acres of land from the notifn. of 18-5-62

However, ccf feels that 17
if the Dandeli Town planning authorities are directed to allot 2 Acres of land out of F.S.No. 4-A of Dandeli to M/S Kodkani. we may however agree with the ccf.

In this connection, M/S 18
Kodkany has represented that the area of 2 Acres ordered in G.L. of 28-2-62 is insufficient for the purpose

of the reason explained in his repn of 24-8-1962 and has requested for the release of an Area of 4 Acres instead of 2 Acres in F.S.no. 4-A of Dandeli. The CCF has after careful considn feels that the grievance of the party is true & recommends that the Town Planning Authorities of Dandeli may be ~~informed of the~~ ~~the~~ ~~same~~ addressed suitably.

19) The report of the Chief Conservator of Forests (letter dated 22-10-62) is for kind perusal. The facts of this case are explained in paras 15 to 18 N.F. Sri Kodkany and Sons had been granted 2 acres of land in F.S.No.4 A long back for erecting their Saw Mills (Vide G.L.No.AFD 8 FGN 62, dated 28-2-62). Unfortunately while releasing land to the Dandeli Township on 18-5-62 this was lost sight of by the concerned D.F.O. and this area has also been included in the area ordered to be disforested for the Dandeli Township consisting of 1122 acres and 34 Guntas (vide G.O.No.AFD 60 DST 57, dated 18-5-62). Since Shri Kodkany has now sought for the release of this land which had been ordered earlier, complication has arisen as the land ear-marked to Kodakany & Sons is now included in the area since released for Dandeli Township. Two suggestions have been made by the C.C.F. for solving the difficulty viz. (1) to issue instruction to the Town Planning authorities concerned to allot two acres of land to M/s. Kodkany & Sons in F.S.No.4A of Dandeli, or (2) in the alternative to issue another Notification in supersession of the earlier one so as to exclude the area which had been allotted to Kodakany & Sons.

20) That apart, Sri Kodkany & Sons, have now requested that instead of 2 acres allotted to them they erequire atleast 4 acres of land, as two acres would be quite insufficient for them for establishing a Saw Mill as they have also to construct quarters for the workmen and staff employed in the Mill and for construction of Storage sheds etc.

Note.—Contn. Sheet

The C.C.F. has recommended to the Govt. to allot 4 acres of land instead of 2 acres in F.S. 4A of Dandeli to them and has added that the Town Planning authorities, Dandeli may be informed accordingly.

Since we have released fairly a large area in favour of Dandeli Township Committee it is hoped that the Town Planning Committee may not disagree to give back 4 acres form being allotted to Sri Kodkany & Sons since it would be useful to have a Saw Mill in that area also and in view of the earlier commitment of Govt. For this purpose it appears to be better to issue an amending order by which we may limit the area already allotted minus 4 acres to Dandeli Township and allot the 4 acres that is resumed to Sri Kodakani & Sons, rather than our asking the Township authorities to give the land to the company direct.

The P.L.M. Deptt. may be consulted for concurrence.

then, the proclamation has to be withdrawn. The inclusion of these areas has already been delayed and the development of the Dandeli Township is held up on this account. So the correct procedure would be to take up the question after the notification, in this behalf, is issued by Govt. under section 210 of the Bombay District Municipal Act 1901. The Divisional Comm. Belgaum Div. who is the head of the L.S.G. Deptt for the Bombay Karnataka areas, is competent to sanction the grant of sites with the usual terms and conditions as may be decided by the Local Bodies. In view of the above, the C.C.F may be requested to inform the party to approach the Divisional Comm. Belgaum in the matter after the areas are included in the Notified Area Dandeli.

35) The final proclamation extending the limits of Dandeli Township has not to be issued after the receipt of objections from the persons affected. As such, there may not be any difficulty to limit the proposed township by excluding 4 acres of land from the Dandeli Township for being allotted to M/s. Kodakani & Sons rather than issue a proclamation for the entire area and then ask the Township authority to allot the land required by M/s. Kodakani & Sons. For, the latter course may or may not likely to materialise early as ~~the political aspects~~ a local influence will likely to play a good deal of part when once the entire area comes within the fold of the local body concerned.

By mistake the plot of 2 acres was included and G.O. has been issued & and the matter has been finalised. The mistake is due to C.C.F. himself.

As things stand now the firm have not been given any land and no factory has been set up by them. As against the original grant of 2 acres, the firm wants now 4 acres of land. The Township of Dandeli may not agree to, release the land or the location they propose by

In letter No.AFD 8 FGN 62 dated 28-2-62, Government have agreed for the allotment of an area of 2 acres of Forest Land to M/S K.A.Kodkany and Sons, Dandeli for the establishment of a Saw Mill. M/S Kodkany had originally requested for lands from F.S.No.4 of Dandeli. But in Notification No.AFD 60 DST 57 dated 18-5-62, 1122 acres of Forest land was ordered to be disforested in favour of the Dandeli Town Ship Committee. This area included F.S.No.4 of Dandeli also. Hence the orders issued in AFD 8 FGN 62 dated 28-2-62 could not be given effect to. The C.C.F. was then requested in letter No.AFD 8 FGN 62 dated 3-4-63 to ask M/S Kodkany to select an alternate site of 4 acres outside of the Dandaly Township and send separate proposals.

Sir,

Sub:- Allotment of a suitable land for establishing a Saw Mill at Dandeli.

We beg to invite your kind attention to Government letter No. AFD 399 ENT 58 dated 27th October 1961, addressed to the Chief Conservator of Forests in Mysore, Bangalore and a copy of endorsed to us, in which we have been given permission to set up a Saw Mill. We have also been asked therein to approach the Special Officer, Dandeli Township, for the allotment of a suitable land for erection of our Mill.

In this connection it may not be out of place to mention that we were given this permission by the Conservator of Forests, Belgaum Circle in 1959 and a plot was also alloted to us for locating the Mill but, unfortunately, the said order was held in abeyance. It is needless for us to mention the extent of loss sustained by us as a result of our funds being locked up in the Mill machinery etc. To add insult to injury, the said plot of land earmarked for allotment to us has been granted subsequently to Allied Industries, Dandeli for erecting their Saw

Saw Mill etc. As such the plot which was proposed to be allotted to us is not available now.

As regards approaching the Special Officer, Dandeli Township, we do not know after how many years we will be able to secure the plot. We have already waited for 2½ years and you will appreciate that any more delay will only mean further loss to us. Therefore, we request you kindly to issue necessary instructions to the District Forest Officer, Kanara Northern Division, to allot a suitable plot of about 4 acres in extent to us round about Dandeli, similar to the one allotted to us earlier.

Thanking you, Sir, for favour of early orders.

Yours faithfully,

.....

Under Government Order No.AFD 110 FGL 60 dated 28-2-1961, the Chief Conservator of Forests is authorised to consider and concede to the requests for forest lands from landless poor only for cultivation.

As regards the applicant's request for grant of land for installing a Saw Mill - which is for a non-agricultural purpose - such requests were being granted by the Conservator of Forests, Belgaum Circle according to the orders of Bombay Government - a copy of Bombay Government letter No.7590/33 dated 1-2-1940 in this connection has been submitted to Government under this office No.B3-4593/60-61 dated 5-5-1961 - in which it has been explained that specific orders of Government of Bombay, permitting the disposal of forest lands by way of lease for non-agricultural purposes are not available.

In view of this and also in the circumstances explained in this office letter No.B3-4593/60-61 dated 11-10-1961, orders of Government are requested as to whether the Conservator of Forests, Belgaum should be directed to allot a suitable plot of land to the applicant.

The contractor's application is returned herewith.

FOREST BRANCH

To

The Secretary to Government

Subject:- Grant of permission to Shri K.A.Kodkany for erection of a band saw at Dandeli - grand of land for the same.

Ref:- Your letter No. AFD 8 FGN 62 dated 28-2-1962.

Sir,

In your letter referred to above, orders of Government for allotting two acres of forest land from the said area were received and they were further communicated to the Conservator of Forests Belguam Circle for taking necessary action to allot the land to Messrs K.A.Kodkany and sons Forest Contractors Dandeli.

2. Messrs.K.A. Kodkany had applied for the grant of 3 acres of Forest land in F.S.No. 4 of Dandeli for erection of a sawmill, as far back as in 1959. As the question of granting a licence to Messrs Kodkany for the erection of a sawmill was still under consideration, the question of grant of the land was held in abeyance. The final orders of Government for granting a licence to Messrs Kodkany for erection of a Sawmill were received under your letter No. AFD 399 ENT 58 dated 27-10-1961. So the question of grant of Forest land to Messrs Kodkany, which was held in abeyance was taken up for consideration after the receipt of Government orders for granting of a licence for the erection of a Sawmill. The final orders of Government in the matter were issued on 28th February 1962 as stated in para one above.

3. In connection with the grant of 2 acres of Forest land in the said area ie in F.S. No.4 of Dandeli, as per the orders of Government dated 28th February 1962, Messrs. Kodkany was informed by the Divisional Forest Officer Northern Division Kanara to select two acres of Forest land so as to enable the Divisional Forest Officer to take further action to lease the land to Messrs Kodkany. In the meantime, notification No. AFD 60 DST 57 dated 18th May 1962, disforesting 1122 acres of Forest Land was issued by Government. The disforested land of 1122 acres includes F.S.No. 4A. of Dandeli. This notification was issued by the Government as per the draft notification prepared by the Divisional Forest Officer Northern Division Kanara and submitted to the Conservator of Forest Belguam Circle on 1-2-1962. It is therefore evident that the land required by Messrs Kodkany in F.S.No. 4 A was not excluded from the Disforestment, by the Divisional Forest Officer.

4. Now in view of the issue of the notification by Government on 18-5-1962, this Department cannot enter into a lease with Messrs Kodkany for the grant of 2 acres of Forest land in the said area. It is therefore necessary to either direct the Town planning authorities concerned, specifically to allot 2 acres of land to Messrs Kodkany in F.S.No. 4 of Dandeli or exclude 2 acres of land from the notification dated 18-5-62 referred to above by issue of a corrigendum to the same. It appears to me that it would serve the purpose of the Dandeli town planning authorities are directed by a separate order to allot 2 acres of land from F.S.No. 4A. of Dandeli to Messrs. Kodkany for the reasons discussed in paras 2 and 3 above.

contd....3

5. Messrs. Kodkany and sons have also represented to me in their application dated 24th August 1962 that 2 acres of land would be quite insufficient for the purpose of establishing a Sawmill as they have to construct quarters for the Mazdoors and staff employed in the Mill, and storage sheds for storing sawn timber. Besides a depot yard for storing the rawmaterial for feeding the Mill is also necessary. It is a fact that 2 acres of land would be quite insufficient and at least Messrs Kodkany would require 4 acres of land. It is therefore proposed that Government may order the allotment of 4 acres of land instead of 2 in F.S.No. 4 A of Dandeli and the town planning authorities informed accordingly.

6. The representation dated 24th August 1962 of Messrs Kodkany and Sons is submitted herewith.

Yours faithfully,

CHIEF CONSERVATOR OF FORESTS.

From

M/S K.A.Kodkany and Sons,

To

The Chief Conservator of Forests,
in Mysore, Bangalore.

Dear Sir,

We received a copy of Government letter Number AFD 8 FGN 62 dated 28-2-1962 forwarded under the Divisional Forest Officer, Kanara Northern, Dharwar's No.STR/SM/1328 dated 28-7-1962, under which Government was pleased to approve of allotment of 2 acres of Forest land in our favour for the establishment of a Sawmill. Accordingly under instructions from the Divisional Forest Officer, we selected 2 acres of site adjoining the road of the Electro Metallurgical Works Dandeli and applied along with a sketch of the area for its grant by our application dated 2nd August, 1962. The Divisional Forest Officer, Kanara Northern, Dharwar arranged to get the site laid out on the ground and recommended our application to the Conservator of Forests, Belgaum Circle, Belgaum for his orders. The Divisional Forest Officer has now informed us under his number STR/SM/1328 dated 20-8-1962, that the area in question falls in the disforested portion in favour of Dandeli Township Committee and we may select another suitable area in charge of the Forest Department and in case we require the same plot we may apply to the Deputy Commissioner for allotment.

In this connection, we beg to submit as under:-

(1) According to Govt. Notification No.AFD 60 BST 57 dated 23-9-1958, 200 acres and by Notification of even Number dated 8-1-1959, 250 acres and Govt. Notification of even Number dated 18-5-1962, 1122 acres and in all 1572.34 Acres have been notified for being released to the Dandeli Township Committee. That means the entire area of Kumbarkop, Ambewadi, Kerwad, Badakanshirda, Biranpali and Dandeli villages have been covered and if we are to select site outside

(.....2

19 44

(iv) Government had directed us by their letter No. AFD 399 ENT 58 dated 27-10-1961 (copy enclosed) to approach the Special Officer, Dandeli Township for allotment of site for the purpose of establishing our Sawmill. In reply we clearly informed Government by an letter dated 31-10-1961 (copy attached) that it is not possible to get a suitable site allotted to us by the Township Committee and that we may be allotted 4 acres of plot near about Dandeli by the Forest Department. It was with reference to this application that Govt. issued orders to release 2 acres near Dandeli. We selected the plot accordingly as stated above. This site is within the area of 1122.34 Acres notified to be released to the Township Committee in May 1962. The two instalments of areas (200 acres and 250 acres) granted to the Township Committee in 1958 and 1959, have been handed over to the Committee by the Forest Department after removal of the Forest growth recently. The 1122.34 acres notified in May '62 contain the forest growth and it has not yet been handed over to the Township Committee. We have requested for a portion of that area which is still in the possession of the Forest Department and there should therefore, be no objection to grant it to us. The question of our approaching the Township Committee would perhaps have arisen only if the area was handed over to the Township Committee. We therefore submit that the 2 acres which was sanctioned to us in December 1962 ~~before the~~ i.e. before the area was notified for the Township Committee, should be allotted to us by Government, if necessary by excluding that much area from the area notified in May 1962. This can very well be done

the township Committee notified area, we will have to go nearly six miles away from Dandeli. That is a matter to be considered by you, whether such a site so far away from the Township would be suitable for establishment of a Sawmill. As Dandeli is developing as an industrial township, it is in the fitness of things that our sawmill should be located in Dandeli itself and not far away from it. There-fore, any site outside the notified area will not be suitable for our purpose.

(ii) The site now selected by us is within easy reach of electricity and water supply. Besides it is very near the Railway Station. No other site away from Dandeli can command all these facilities required by a Sawmill. So our insistance to have this site and none else.

(iii) Out of 200 acres released to the Dandeli Township Committee in the year 1958, 50 acres are allotted for Industrial Labourers' Colony and 35 acres for Janata High School. Even the remaining 115 acres have not so far been allotted to the public by the Township Committee. Though it is four years that the 200 acres of Forest areas were released to the Township Committee no distribution of plots to the public could be made yet and it is therefore obvious that we will not get the plot if we are to approach the Deputy Commissioner for allotment of the site selected by us for over a decade. We have no hopes of getting the site from the Deputy Commissioner within the foreseable future.

(.....3

done we support by issuing a corrigendum to the Notification of 18-5-1962.

(v) In case what we have suggested above is not feasible, we humbly request that Government may be moved to direct the Deputy Commissioner to allot the site selected by us immediately so that we may start erection of the machinery etc. early in November, 1962.

(vi) The area to be released to the Township Committee is meant for starting new industries in Dandeli. Sawmill will play an important part in developing the vergin Township. Our Sawmill will meet the requirements of the sawn timber so very necessary for building activities. Now sawn timber will have to be brought from distant places to carry out building programme going on in Dandeli on a large scale. It is in the interest of the speedy development of industrial Township at Dandeli, that we must be allowed to erect our Sawmill in the site selected by us.

(vii) We were permitted to erect the Sawmill as far back as in 1959 and a plot was also allotted to us at Dandeli. We signed an agreement by keeping Rs.5,000/- security also. Suddenly the permission was held in abeyance and we were made to wait for nearly 2½ years. We suffered greatly on this account both mentally and financially. After several trips to Bangalore and other places off and on, we secured Government permission only in October,'61 without a site and a site was allotted in August, 1962. Just when we were beginning to feel that our troubles were over, the difficulty of granting us a suitable site for the Sawmill has cropped up. This problem has overpowered us and we are no longer in a position to endure the mental agony and financial loss we are again called upon to undergo. We only pray that your may

(.....5

23 47

take pity on our pitiable plight and help us by securing the site we have selected.

(viii) We may state here that we had applied for 4 acres plot, while Government has allotted only 2 acres. That much is not sufficient. We have to set up staff quarters near the mill. We have store sawn timber and round timber. For all these, a minimum of 4 acres is quite necessary. So we may be granted 4 acres instead of 2 acres in the same site.

We trust that the facts detailed above will convince you of our genuine case. We are confident that you are fully aware of the necessary and importance of locating our Sawmill in Dandeli itself and the site that we have selected is an ideal one for it. We pray that you may kindly move Govt. to grant us the plot requested by us immediately and enable us to start setting up the machinery in the said site at the earliest opportunity.

For this act of kindness, we will always remain grateful to you.

Yours faithfully,

Sub:- Allotment of a suitable land for establishing a Saw Mill at Dandeli.

- - - - -

We beg to invite your kind attendtion to Governmnt letter No. AFD 399 ENT 58 dated 27th October 1961, addressed to the Chief Conservator of Forests in Mysore, Bangalore and a copy of endorsed to us, in which we have been given permission to set up a Saw Mill. We have also been asked therein to approach the Special Officer, Dandeli Township, for the allotment of a suitable land for erection of our Mill.

In this connection it may not be out of place to mention that we were given this permission by the Conservator of Forests, Belgaum Circle in 1959 and a plot was also alloted to us for locating the Mill but, unfortunately, the said order was held in abeyance. It is needless for us to mention the extent of loss sustained by us as a result of our funds being locked up in the Mill machinery etc. To add insult to injury, the said plot of land earmarked for allotment to us has been gra-nted subsequently to Allied Industries, Dandeli for erecting their Saw Mill etc. As such the plot which was proposed to be allotted to us is not available now.

As regards approaching the special Officer, Dandeli Township, we do not know after how many years we will be able to secure the plot. We have already waited for 2½ years and you will appeciate that any more delay will only mean further loss to us.

P.T.O.....

Threfore, we request you kindly to issue necessary instructions to the District Forest Officer, Kanara Northern Division, to allot a suitable plot of about 4 acres in extent to us found about Dandeli, similar to the one allotted to us earlier.

Thanking you, Sir, for favour of early orders.

Yours faithfully,

W/r to your letter No. A2(a)332-2439/57 dated 22-10-1962, on the subject mentioned above, I am directed to state that Government vide Notification No. AFD 60 DST 57 dated 18th May 1962 have dis - forested an area of 1122 acres of forest land and handed over the area to the Dandeli Township on the proposals received from the D.F.O., Northern Division, Kanara. ~~In this connection~~ it can be stated here that as directed by Government in Govt. letter of even No. dated 28-2-1962, the D.F.O., N.D., Kanara might have excluded an area of 2 acres in F.S.No. 4-A out of the area of 1122 acres requested for disforestment. However, Govt. after careful consi - deration have decided that the party Sri. K.A. Kodkany & Sons may be directed to select a suitable place outside the Township limit. Subject: Grant of permission to Shri K.A.Kodkany for erection of a band saw at Dandeli-Grant of land for the same.

=====

With reference to the correspondence ending with your letter dated 22nd October, 1962, on the subject mentioned above, I am directed to state that since 1122 acres of forest land have already been handed over according to the Notification No. AFD 60 DST 57 dated 18th May 1962 to the Dandeli Township on the proposal received from D.F.O., North Kanara Division, it may not be possible now to grant 2 acres of land which has been included in this area even though the latter had been granted ~~in~~ at an earlier date in favour of M/s. K.A.Kodkany & Sons. This was due to an ommission of not ~~including~~ excluding this area of 2 acres while ~~sanctioning~~ submitting disforestment proposals in favour of Dandeli Township. ~~As thing stands now,~~ Since the firm has not been put in possession of ~~any~~ the land and since they are urging for 4 acres of land instead of 2 acres which has been given to them, the ~~party~~ ~~party~~ party may be requested to indicate the land in any other locality outside the area of Dandeli Township instead of the one now allotted to them so that their request may be considered by Government. This is just to avoid complications as the township authorities may not be agreeable to release the land required by the party and the party may not agree to take the land which the township is willing to part with.

Sir,

Sub:- Permission for erection of a band saw at Dandeli - Grant of land for the same.

I am in receipt of your letter No.AFD 8 FGN 62 dated 3.4.1963 through the Divisional Forest Officer, Kanara Northern Division, Dharwar, asking me to select suitable area outside the designated village of Dandeli and to forward a clear sketch indicating therein the surrounds, etc. of the area selected by me. I have accordingly reported on 18.10.1963 to the Divisional Forest Officer, N.D. Kanara, that we have selected a plot of 4 acres in Compt. V-3 of Dandeli Range which is situated near Ambewadi Railway gate. We have also shown this site to the Divisional Forest Officer and also given him the sketch of the site.

We wish to bring to your kind notice that the matter of granting site is pending for over a year and as a result of this, our scheme of setting up the log Mill has received great set back. We have purchased the machinery required long ago and they are lying idle for grant of site. As we have now indicated a site outside the Township area of Dandeli, as per your directions contained in your letter No.AFD 8 FGN 62 dated 3-4-1963, we earnestly request you kindly to ask the Chief Conservator of Forests to grant the area immediately, so as to enable us

to erect our Mill without any further loss of time. Since I have complied with the Government directions in selecting the area outside the Dandeli Township area, we ~~should~~ feel that there should be no difficulty in granting our request, for which we are very much grateful to you.

As directed in your even No. dated 3.4.1963, that Shri Kodkany was informed that no land can be released from the notified area Dandeli and therefore he was requested to select a suitable area outside the designated village of Dandeli. M/s.K.A.Kodkany has selected 4 acres of area as per the enclosed sketch in comptt.V-27 of Ambewadi (Sy.No.21) of Dandeli Range. This area falls outside the area earmarked for the Dandeli comprehensive town and is situated close to the same and falling beyond the Ambewadi Railway gate to the West of Tavargatti Joida Road.

This area forms part of the High Forest Comptt. and contains teak matti, Kindal and other high forest growth at the rate of about 50 trees per acre. Though Government has conveyed its approval for grant of 2 acres of forest land, the area selected previously could not be given as the same falls in the comprehensive town of Dandeli. I have seen the area and the same being flat and close to the road is suitable for the purpose. This area falls also just close to the new station of Ambewadi. It is not known whether portion of this area would be required by the Railways for the expansion of the Ambewadi Rly. station. However the Railway Department will be requested to intimate their requirement of land for the future development of the station and same will be kept in view when the above area is surveyed and finally handed over. After the grant of the area the treegrowth will be cleared by bringing the depot specification material to the Dandeli depot and the rest by sale through purchasers.

For acres out of this may be considered for grant

As regards the rent to be charged to the land, this points needs a more thinking. The township has been charging Rs.24/- and Rs.36/- per guntha per year and this Department has been charging Rs.80/- per acre per year to the industries. The rate of rent for plots given as Hangami lagan is Rs.6/- per guntha per year i.e. Rs.240/- per acre. This being a private concern this office proposed to charge Rs.240/- per acre per year the same rate of assessment charged to H.L.plots. The other conditions of grant will be.

i. the grantee should not sublet the area or rent any building built in the area for any other purpose.

ii. before undertaking construction of any building, the grantee should furnish to this Deptt. the plans of the proposed building and get the written permission of the Divisional Forest Officer, Kanara Northern Division, Dharwar.

iii. the grantee should fence the area with barbed wire fencing or wall-fence and fire trace and keep clean within his area a boundary to the width of 30' to prevent fire entering in the Govt. forest or from the forest to his area.

Yours faithfully,

Divisional Forest Officer,

2/- The applicant shri. K.A. From the papers of the case it is seen that the Chief Conservator of Forest has recommended only two acres of land for the purpose (vide page 37) The applicant states that two acres of land will not be sufficient for the purpose for which the area is applied for and as such he says that he will require at least 4-00 acres of land. He is willing to abide by the usual terms and conditions of the grant such as to preserve public right if any, to preserve forest growth till it is cleared off by the forest Dept. to pay measurement expenses and to pay rent fixed by the Forest Dept. etc. The Forest S.No. 21 of Ambewadi comprises 2340-00 acres of land and there is ample forest area round about the Township of Dandeli. There is no demand from any other person for this area so far. There is a grazing area of 3868-22 acres as against the cattle population of 126. This is thus more than 1000 acres of forest land available for reservation for the industrial purpose. There is therefore no objection to the area applied for being granted to the applicants on the terms and conditions proposed by the Forest Department.

Re submitted to the Dy. Commr. Karwar with reference to his Cult No LRD-II-SQ-II 1181 dated 1/12/64 (P.53)

2/- In this case, the applicant requests for grant of an area of 4 acres out of FS No 21 of Ambewadi Village, as shown in the hand sketch at page 73, for installation of a saw mill, storing raw materials, sawn timber and for constructing residential quarters for the workers in the mill. It is seen from the extract of R of R in respect of the aforesaid S.No, that it measures 2340 acres in extent. There is also ample forest land round about Dandeli township. The area applied for is at a distance of only 1 furlongs from the boundary of the township area (vide Vis report page 80). The papers of the

case, however, disclose that the Forest Authorities have recommended only 2 acres of land out of the afore said block numbers. The applicant states that the area of 2 acres recommended for release by the Forest Authorities will not be sufficient for the purpose and he, therefore requests to allot at least 4 acres of land. He has further stated that he is prepared to pay the measurement fees, O.P etc and also willing to abide by the conditions of grant. The area forms a part of the High Forest Compartment and it is not notified as available for cultivation. There is no demand from any other person for the area now applied for by the applicant. The cattle population of the village is reported to be 126, as against the forest area of 3868-22-0 A-Gr, which is available for grazing. There is no assigned gairan in the village. There are no Govt. waste s.nos in

the Village, which could be 85 90 reserved for the various categories of persons for the purpose of cultivation as specified in Rule 37(5) of the Bombay Land Revenue (Mysore) Amendment Rules 1960 & 1963.

In Mysore Govt. order No. C.R.2 F 175-64 dated 23-10-1964, it is ordered that an area of 1000 acres should be reserved for expansion of the existing Industries and for development of new industries. No decision has been yet taken as to which particular lands are to be reserved for expansion of Industries. To the East of Dandeli Tavargatta there is sufficient area available in Forest No. 21, for reservation for development of Industries.

7 f. which the Total area is 2340 acres.

In view of the above facts there appears no objection to concede the request of the applicant for grant of an area of 400 out of F. No. 21 as indicated in the hand sketch. The other information in the prescribed form

is enclosed at page 81.

2. The report of the Tahsildar Haliyal may kindly be perused.

3. Messers Kotkarny and Sons intend to establish a saw mill and requests for grant of 4 acres of ~~Forest~~ Forest land on long term lease for the purpose of establishing a sawmill, constructions of quarters for the staff and the mazdoors ~~emp~~ to be employed in the mill, construction of storage sheds for the sawn timber and also a depot yard for storing raw material for feeding the mill. The applicant, it is reported has been granted a licence in the year 1959 for installing a mill, but he has not installed it so far for want of suitable plot. There is no objection for the grant of the area now proposed for lease.

Sub: Lands Kanara - Grant of 4 acres of land out of Reserved Forest S.No.21 of Ambewadi village to M/s. K.A. Kodkany and Sons of Dandeli.

--

No. 375
Dandeli, 15-5-1965.

To

The Deputy Commissioner,
North Kanara, Karwar.

Sir,

Ref: Your endorsement No.LND/II/SR/X-1181 dated 30-4-1965.

In resubmitting herewith the papers of the case regarding grant of land to M/s K.A. Kodkany and Sons of Dandeli, I have to state as under:

The 4 acres area applied for by Shri.Kodkany falls outside the limits of the present Notified Area and also outside the limits of designated township of Dandeli. Disposal of this area of 4 acres in favour of Shri.Kodkany will not in any way affect the requirement of area for industrial expansions as envisaged in the Government order No.Cl 2 FMS 64 dated 23-10-64. This Notified Area has, therefore, no objection to the disforestment and grant of 4 acres out of F.S.No.21 of Village Ambewadi to M/s K.A. Kodkany and Sons of Dandeli for establishing a Band Saw.

1878

Deputy Commissioner's Office
Kanara, Karwar.
A.R.R. No. 1878
Compln.
Date of Receipt 18 MAY 1965

Since the land does not fall within the jurisdiction of the N.A.Dandeli, I do not propose that any conditions governing the sites in N.A.Should be imposed. But it is, observed that Shri.Kodkani has since a long time occupied most of the vacant area lying between the Railway station yard and the Kali river for stocking of his timber. This is both unauthorised as well as detrimental to the systematic development of the township. So a condition that he should remove all his timber from the present location (i. e. in the old town) to the new site within one month of the grant of the site may be imposed while granting the land now applied for.

Yours faithfully,

Special Officer,
Notified Area, Dandeli.

No. LND.II.SR.X.1181 Karwar, 11-8-1965.

Sir,

Subject:- Grant of permission to Sri K.A.Kodkani for erection of bond Saw mill at Dandeli & grant of land for the same..

Reference: Govt. letter No. RD 3918/D/64 dated 25-8-64 & No. RD 234 GCF 64 dated 28-9-1964.

In submitting herewith the correspondence ending with endorsement NO. STR/SM-1328 of 1962-63 dated 19-6-1965 from the Divisional Forest Officer, N.D.Kanara, Dharwar I have to state as under:-

D.

In this case M/s K.A.Kodakany and Sons of Dandeli request for grant of 4-0-0 (A.G.As) out of F.S.No.21 of Ambewadi village in Haliyal taluka as shown in the sketch at page 73 for installation of a Saw mill, storing raw materials, sown timber and for constructing residential quarters for the workers in the said Saw mill. The total area of F.S.No. 21 of Ambewadi village measures 2340-0-0 acres and the Tahsildar, Haliyal after due enquiry reports that the area applied for by the applicant is at a distance of one furlong from the boundary of the (Notified area) Dandeli Town Ship. This area is out side the notified area and hence the special Officer, Notified area, Dandeli also states that the area applied for by the applicant be granted for the purpose as the grant of the said area will not in any way affect the requirement of the area for industrial expansions as enviaaged in G.O. No.Cl 2 FMS-64 dated 23-10-1964. He has no objection to the grant from Dandeli Notified Area point of view. He has however reported that Shri Kodkani has unauthorisedly occupied since a long time most of the vacant area lying between the station yard and the Kali river for stacking of his timber and this is unauthorised and detrimental to the systematic develop--ment of the Dandeli township. So a condition stipula--ting that Shri Kodkani should remove all such timber within one month from the grant of the site be imposed.

SD 16-8-65

A

The Tahsildar, Haliyal, and the Assistant Commissioner, Karwar Division, have also recommended the request of the applicant as genuine and reported that the area applied for is essential for the purpose. The chief Conservator of Forests, Mysore Bangalore, it is observed has proposed to charge assessment at the rate of Rs. 80/- per acre and has recommended for lease of an area of 2-0-0 acres (vide please letter No. A 2(a) 332-2439/57 dated 17-2-1964 from the Chief Conservator of Forests, Bangalore at page 377. But in view of the recommendations made by the afore said offic--ers the lease of an area of only 2-0-0 acres in my ~~opx~~ openion may not be sufficient. Government ~~khkkr~~ in their letter No. AFD 8 FGN 62 dated 28-2-1964 have approved the allotment of two acres only. Government may if pleased reconsider their decision and order the allotment of an area of 4-0-0 acres out of F.S.No. 21 of Ambewadi village in Haliyal Taluka as detailed in the sketch at page 73 be leased out to the applicant subject to the conditions as detailed below:-

(i) The period of the lease shall be initially for a period of ten years only.

(ii) The lessee shall pay rent at the rate of Rs. 240/- per acres on the basis of Rs. 6/- per guntha as recommended by the Divisional Forest Officer.

(iii) The land should be utilised for the purpose for which it is granted nor subletted nor rented nor granted to others for any purpose.

(iv) The tree growth shall be removed by the Forest Department before handing over possession to the lessee.

(v) The rate of assessment at (ii) above and period of lease are subject to revision whenever circumstances warrent at the discretion of the Deputy Commissioner and the lessee.

(vi) No buildings and other superstructures in the area shall be errected without prior permission from the Deputy Commissioner.

(vii) The lessee shall remove all the timber from the present location in the old Dandeli town area lying between the Railway station yard and the Kali river to the new site within one month from the date of receiving the possession of the new site.

(viii) For breach of any of the above conditions or when the area is required by Government for Departmental use the lease shall be terminated at one month's notice.

Papers of the case pages 1 to 92 accompany.

No. LND.I.ESR.2315 Karwar, 22-12-1964.

Sir,

Subject:- Grant of land for erection of a saw mill in S.No. 180 of Sirsi..

Reference: Govt.letter No. RD 289 GCF 64 dated 19-12-1964 regarding the subject mentioned above.

The case relating to the subject mentioned above is examined by me. The facts of the case are as under:-

Shri G.V.Kamat, Kimanikar, Sirsi, a forest Contractor, had applied, to the Assistant Commissioner on 4-12-1962 for granting a plot in Government waste land S.No. 180 measuring 6-21-0 and assessed at Rs. 0-12-0. The said S.No. is assigned for grazing. The Tahsildar, Sirsi, after detailed enquiry in the matter, submitted proposals to the Assistant Commissioner, Sirsi Division, Sirsi, on 21-3-1964 recommending the grant of an area of 1½ acres out of the said F.S.No. 180 to the applicant after disassign--ment and also proposing that the plots may be laid out for residential purpose in the remaining area. The Tahsildar proposed that an occupancy price of Rs. 50/- per guntha may be levied. The Assistant Commissioner, Sirsi, on inspecting the site, proposed to the Deputy Commissioner, recommending the grant of an area of 1-0-0 acre in the said S.No. on condition of payment of O.P. of Rs. 50/- per guntha and other usual conditions. The papers were then referred to the Divisional Forest Officer, Honavar, for remarks in view of Rule No. 88 of the Bombay Forest Rules. The Divisional Forest Officer, after due enquiry in the case, communicated to the Deputy Commissioner, under his endt. No. FOP/GFL/LND/286 of 1963-64 dated 29-8-1963 copy enclosed, to the following effect:-

The applicant was granted permission on 18-1-1962 to erect a saw mill in an area of 0-10-0 in Revenue waste S.No. 61 of Sirsi. This area was not sufficient to accommodate the saw mill and its adjuncts, sufficient area will also be required to stack the raw material belonging to the various parties separately. It is reported that there is no space in Revenue S.No. 61 of Sirsi to meet the requirement of the applicant. The permission granted to erect the saw mill is continued year after year. The saw mill would be under the supervision of the Forester or Forest guard appointed by the Department according to the existing rules.

The Divisional Forest Officer, further recommended that for the reasons stated above, there is no objection to grant an area of 1½ acres out of the Revenue Waste S.No. 180 of Sirsi to the applicant.

The Conservator of Forests, agreed with the recommendations of the Divisional Forest Officer.

Since the Deputy Commissioner, was not competent to grant an area of 1-0-0-acre to an individual, the papers were submitted to the

Divisional Commissioner, Belgaum, under this office letter of even No. dated 30-11-1963, stating that in view of the development of industry and in view of the recommendations of the Divisional Forest Officer, Honavar, and agreed to by the Conservator of Forests, B.C.Belgaum, there appears no objection to consider grant of an area of 1-0-0 to the applicant as a special case, and requesting to move Government to accord sanction for disassignment of 1-0-0 of land and grant in favour of the applicant on levy of ~~xxx~~ /Occupancy price of Rs. 50/-, per guntha and subject to usual terms and conditions for the purpose of establishment of a saw mill. These proposals were submitted to Government by the Divisional Commissioner, Belgaum, under his No. RB.LND.SR.1915 dated 16-1-1964 and Government in their order No. RD 17 GCF 64 dated 18-7-64 copy enclosed accorded sanction to the grant of an area of 1-0-0 acre out of the said S.No. in favour of Sri G.V. Kamat at an upset price of Rs. 50/- per guntha for establishing the saw mill subject to the usual terms and conditions as may be laid down by the Deputy Commissioner. The Deputy Commissioner then passed an order under his order of even No. dated 22-9-1964 copy enclosed devolving the assignment of an area of 1-0-0 acre in S.No. 180 of Sirsi for grazing and granting the same to the applicant on payment of an ~~xxx~~ /occupancy price of Rs. 50/- per guntha subject to the other usual terms and conditions.

Proposals for disposal of the remaining area in S.No. 180 of Sirsi ~~xxx~~ after actual measurement have also been called for by me in the matter.

In the circumstances mentioned above, it is submitted that the one acre of land in S.No. 180 of Sirsi was ordered to be granted to Shri G.V.Kamat, Kimanikar by Government after due examination of the case.

Incidentally, I may mention here that the decision to recommend to the Divisional Commissioner, the grant of an area of 1-0-0 acre to the applicant on an ~~xxx~~ /Occupancy price of Rs.50/- per gunth was taken prior to my taking over as Deputy Commissioner.

Yours faithfully,

for Deputy Commissioner, N.Kanara.

Sub:- Request of Shri G.V.Kamat Kimanikar, Forest Contractor for grant of an area of 1½ acres out of R.W.Sy.No.180 of Sirsi village for erection of a Saw Mill..

No. FOR-GFL-LND-286 of 1963-64.
Honavar, 29-8-1964.

Transmitted to the Deputy Commissioner, Kanara, Karwar with reference to his No. LND.I.ESR.2315 of 9-7-1963.

2. In this case, Shri G.V.Kamat, Kimanikar, Forest Contractor requests the grant of an area of 1½ acres out of Revenue Waste Sy-No. 180 of Sirsi village for erection of a saw mill and its adjuncts.

3. The applicant has already been granted permission to erect a saw mill in an area of 0-10-0 in R.W.Sy.No. 61 of this village. This area is not sufficient to accommodate the saw mill and its adjuncts. Sufficient area will also be required to stack the raw material belonging to the various parties separately. It is reported that there is no space in Revenue Waste Sy.No. 61 of Sirsi to meet the requirement of the applicant.

4. The permission to erect a saw mill has already been granted to the applicant under this office No. ACT/STR/SM /183/61-62 dated 16-1-1962 and this permission will be continued year after year. The saw mill will be under the supervision of a Forester or Forest Guard appointed by this Department according to the existing rules.

5. For the reasons stated above, there is no objection to grant permission to erect a saw mill in an area of 1½ acres out of Revenue Waste Sy. No. 180 of Sirsi to the applicant.
